# WHY CHOOSE

## Sharmeen

Okay so I planned this trip with my friends to escape from my busy hectic life , so ofcourse i didn't want to organize everything all by myself and that's why I chose btnw and to my surprise it was totally worth it. As it was a all girls trip, i was a lil worried at first but they organised everything for me and my squad. Zain was a great support throughout the trip, even though he wasn't able to make it to the trip he made sure to co-operate as much as possible. Akshat was assigned as our trip captain but he became friend by the end of the trip. Our trip was a 4 days package including manali, solang & kasol and the accomodations, food, dj nights and campfire were the highlights of the trip. We started this trip with fear, anxiety and complete strangers only to end it with great memories & new friends for life. It's safe to say that we had a great experience and we're gonna plan more trip with btnw in future for sure.

## Palak Galundia

I went on solo trip to Manali-kasol .All the services provided by them were good, comfortable and safe. No compromise in the quality. Their hospitality and efforts were the highlight of the trip. An absolutely brilliant experience with memories that will last a lifetime.completely safe for girls. I will suggest this trip to all my friends

## saumya karira

I went on a solo trip with them and my journey was wonderful. It was safe, the arrangements were really good and I had the best time
